FIRST QUARTER 2025 GENERAL MEETING

Thursday, 30 January 2025

PAGASA held its 1Q GenMeet on 29 January 2025 at Taste & Tell Sushi Fusion inside the new wing of Greenhills Mall in San Juan. Discussed was the relatively sluggish sales during the past Yuletide Season with the rise of the number of outlets of DALI and O-Save Discount Shops and the seeming reluctance of consumers to let go of their limited disposal income given their fear of reeling effects of inflation. New government regulations, retail trends and invites by trade show organizers/ embassies/exhibitors both local and international were also in the topics for discussion.
