ANOTHER PAGASA FOUNDER CROSSES OVER

Saturday, 08 February 2025

PAGASA founding member Mina Catungal of V&M Superette passed on 7 February 2025. To this day, her store in Baclaran is an inspiration in resilience.
She is now represented at PAGASA by sons Hubert, Albert & Jun Caoile. Photo shows her with Hubert. Mina figured in a vehicular accident in the 90's that left her totally blind since. Their store was immediately closed down on 10 February 2025 following her demise as it had no surviving operator.
