CONGRESSIONAL HEARING ON TAXING PLASTIC BAGS UPON PRODUCTION

Wednesday, 03 December 2025

The second Hearing on 2 December 2025 attended by STC was under the Committee of Finance chaired by Marikina Rep. Atty. Romero "Miro" S. Quimbo and was held at the Andaya Hall.

This plenary session includes a consolidated bill proposing to tax single-use plastic bags P150 for every kilo at the point of manufacture. At least nine congressmen members of this Committee dropped by during the series of bills proposed for this Commitee.
