COCKTAILS AT CANADA'S OFFICIAL RESIDENCE

Tuesday, 04 March 2025

On the eve of 3 March 2025, STC was invited by the Canadian Embassy to the Ambassador's Residence. This came after that function last December where STC was requested to act as a panelist at a programme organized for the biggest delegation of visiting investors from Canada.

To the right of the group photo one will find Mr. Christopher Ilagan, president-elect of the Canadian Chamber of Commerce in the Philippines. H.E. Canadian Ambassador to the Phils. David Hartman was gracious enough to have a shot taken with PAGASA's Exec. Dir. Steven T. Cua.
