PAGASA is a partner of show organizer Philfoodex in the set-up of the Philippine Food Expo from 20-22 April 2018 at the SMX in Pasay City. The Show has gone a long way from its early years at the SM Megamall's Mega Trade Hall. STC bumped into Bicol's retail magnate Romeo Tan of the LCC Group checking out new products with interest. One exhibitor brewed beer called Pinatubo from Angeles and the different ales come in very creative labels.Â Â Â
