ANOTHER CONGRESSIONAL HEARING ON PLASTIC BAGS

Wednesday, 27 November 2019
Last Updated Monday, 08 March 2021

On 27 November 2019, the House Committee on Ecology headed by Rep. Glona G. Labadlabad of the 2nd District of Zamboanga del Norte set a hearing on plastic bags. PAGASA was represented by its Pres. STC together with Director and former Vice President Fred Gravador.Â A review was set on how to treat plastic bags by the new Chairwoman of the Committee.Â
