Wednesday, 26 February 2020

Following the TWG Meeting last 26 February, the House Committee on Ecology quickly called a follow-up Meeting on 5 March 2020. (This was to be PAGASA's last physical meeting for a long time in view of the upcoming but unexpected lockdown due to COVID-19. The next TWG Meet for this purpose was held on 30 June 2020 but was virtual in nature. PAGASA failed to attend that one.)
