PAGASA GENERAL MEETING FOR FIRST QUARTER OF 2021

Wednesday, 03 February 2021
Last Updated Tuesday, 12 April 2022

On the eve of 3 February 2021, the Association held its virtual General Meeting for the first quarter of 2021. The Meet was sponsored by i-Ripple, enabler of My Suki which intends to have as its groceries providers the members of PAGASA. Online selling was a must-do proposition for supermarkets given the extended negative sales effect that the pandemic was wreaking on food retailers.
