Last Updated Tuesday, 25 October 2022

PAGASA's STC met on 7 April 2022 with Mr. Lao Nguon Eng/Commercial Attache from the Royal Embassy of Cambodia in the Phils. It was his 2nd visit to the PAGASA Ofc. His first one was almost exactly a year ago. He is seriously exploring export of Cambodian rice to the Philippines since it buys from Vietnam/Thailand and Cambodia exports rice to these two.Â
