PAGASA guested once more on 14 May 2022 in the teleradyo program of Alvin Elchico "Bida Konsyumer" with the President of the Phil. Confederation of Grains Associations (PCGA) Joji Co to discuss the possibility of selling rice at P20/kg as this was a campaign promise of the presumptive President Ferdinand R. Marcos, Jr.
Also discussed was what is expected of this new Admin. & what retailers look forward to in aid of an economic slump.
