PAGASA attended on 10 June 2022 an FGD (Focused Group Discussion) hosted by the Philippine Competition Commission at Novotel, Araneta City to thresh out unfair competition/practices in the FMCGÂ Industry. Together with STC were the Legal/Corp. Affairs VPs of Nestle, Unilever, P&G, URC and Comfoods. Mondelez was represented by its Country Manager. These entities take anti-trust (also called anti-competition) laws seriously because they work to the detriment of consumers. STC spoke up against SRPs of suppliers especially that by the DTI.

Meeting was very ably handled by PCC Commissioner Atty. Johannes Benjamin "Joey" R. Bernabe.
