In the morning of 18 April 2023, DTI-CPAB held a Webinar on Extended Producers Responsibility. This Law was signed in January of this year and was made effective in April. DENR EMB's Atty. Ivy Joyce L. De Pedro replies to my queries on: Whose responsibility is it to collect used plastic packaging for House Brands & Supermarket-Repacked Goods like rice, sugar & others? How about FMCG sold online > Online Operator or Manufacturer's responsibility to collect the used packaging after sales? Plastic bags > who should collect these? What if we sell new plastic bags to smaller retailers, eateries, vendors, et. al.?
