1ST PROCESSED FRUITS AND NUTS INDUSTRY CONFERENCE

Thursday, 27 April 2023

On 27 April 2023, PAGASA's STC was invited to speak at the DTI-initiated Processed Fruits & Nuts (Industry Cluster) Conference held at Miriam College. This is PAGASA's advocacy in helping MSMEs get their products into the mainstream of mass retailing. After the talks, business mentoring took place among participants who chose among the speakers whom they want to get advice from.
