SERIES OF TV NEWS INTERVIEWS ON VARIOUS ISSUES HOUNDING THE FOOD RETAIL TRADE

Sunday, 21 May 2023

On 21 May 2023, CNN 9's Eireene Jairee Gomez interviewed Mr. Cua online regarding the possibility of a cartel controlling the price of white sugar since it broke the century mark per kilo close to a year ago. On 23 May 2023, cable news program One News' Diego Castro asked Mr. Cua live online what he thinks of DTI's disallowing manufacturers of items on its SRP List the right to increase prices for the next two months. Finally, UNTV's Harry Ilagan solicits the opinion of PAGASA on 25 May 2023 regarding food manufacturers' practice of using trans fat as an ingredient in view of DOH's banning the use of this item on food products effective 19 June 2023.
