On the rainy eve of 2 August 2023, PAGASA was truly lucky to have loyal members who braved the rains & high water to arrive at Japan Fudo Street 4/F at Ayala by the Bay. Discussed was state of the economy a year into the new administration and after COVID-19's gradual wearing off.

Evening was made more fun with the attendance of former PAGASA stalwart Robert Ang (standing at left photo) and former PAGASA VP Karl Tan with wife Sharlene (lower right).
