Â In the morning of 4 September 2023, the Conference Organizing Committee did an online review of the just-concluded 2023 National Retail Conference and Exhibition (NRCE). It was a record attendance of 674 participants to the Conference and 1,478 visitors to the Exhibition Area; a 15% increase in the number of Conference attendees from last year. Congratulations to Team Prince. Rina's joint talk with their software provider came out on the survey as one of the most appreciated talks.
