

SCREENING OF PRODUCTS FOR DTI EXHIBIT

Tuesday, 29 January 2019

Last Updated Friday, 19 February 2021

In the afternoon of Jan. 29, 2019, PAGASA's STC was invited as usual to screen the products worthy for presentation at Bureau of Domestic Trade's Philippine Food Show to be held at the MegaMall's Mega Trade Halls soon after. STC's perspective is to choose products with proper packaging meant for supermarket shelves and not just for trade shows and gift shops.
