Mr. Sheng Xiaosong, Asia Area Manager for Adam Foods, Spanish maker of known biscuits like Cuetara, Bocaditos and Napolitanas made a return visit to PAGASA Offices on Mar. 20, 2019 to check on the interest of the region for their biscuits. The former Area Manager had left samples and the locals would find the biscuits agreeable but Adam Foods has to find a good distributor to sell their products and represent the company in this country.
